Oceans apart day after day
I took for granted all the times

And I slowly go insane
That I thought would last somehow
I hear your voice on the line

But I can't get near you now
Oh, can't you see it baby

How can we say forever
Wherever you go
Whatever you do

You've got me going crazy
I will be right here waiting for you, whatever it takes, or how my heart breaks.

I wonder how we can survive, this romance.

But in the end if I'm with you, I'll take the chance.
Oh, can't you see it baby
You've got me go - in' cRa - Zy
Wher-e - ver you go

What-e - ver you do I will be right here wa i - ting for you
What-e - ver it takes
Or how my heart breaks, I will be right here waiting for you.
