"The Little Mermaid"

You’re sure? You’re not going to faint on me again, are you?

Maybe you have no idea what I’m talking about...” Ariel

Eric: "There’s a lot more to you than meets the eye, isn’t there..."

If only you could know the things I long to say.

If only I could tell you what I wish I could con -

Eric "You know how sometimes you meet someone and everything changes, just like that?"

It’s in my ev’ry glance. My
Eric: "That's happened to me. You see, I met this girl, her voice was... I'm sorry..."

I shouldn't be bothering you with all this. I really enjoyed our talk. Sleep well."

only you could glimpse the feeling that I feel. If only you would notice what I'm
dy-ing to re-veal. The dreams I can't de-clare, the needs I can't de-ny... You'd
un-der-stand them all if on-ly you would try...
se-crets, you would learn them. All my long-ings, you'd re-turn them. All my
shack-les, they'd be bro-ken. Not a word would need be spo-ken.
What is it about her that's so wonderfully, impossibly familiar?

Why do I feel dizzy in a way I've only felt but once before?

How come when she looks at me it seems like time stops moving?

Almost like the way it did that day upon the shore?
If only it were true, if only for a while...

But that voice!

Where's that voice?

You would notice how I ache behind my smile. I guess you never will.

guess it doesn't show. But if I never find a way to tell you so...
Oh! What I would give if only you could know.

Memories fade...

Strange how they blur...
But when she calls to me, I'll...

If only.

know it's her.
